

South Park, Come Sail Away - Eric Cartman

I'm Sailing Away
Set an open course for the virgin sea
'Cause I've got to be free
Free to face the life that's ahead of me

On board I'm the captain
So climb aboard
We'll search for tomorrow
On every shore
And I'll try, oh Lord, I'll try
To carry on

I look to the sea
Reflections in the waves spark my memory
Some happy, some sad
I think of childhood friends
And the dreams we had

We lived happily forever
So the story goes
But somehow we missed out
On the pot of gold
But we'll try best that we can to carry on

(yeah)

A gathering of angels appeared above my head
They sang to me this song of hope and this is what they said

Come sail away
Come sail away
Come sail away with me
(you guys)

Come sail away
Come sail away
Come sail away with me

Come sail away
Come sail away
Come sail away with me
(you guys ha)

Come sail away
Come sail away
Come sail away with me

I thought that they were angels
But much to my surprise
We climbed aboard their starship
And headed for the star they said'

Come sail away
Come sail away
Come sail away with me
(you guys)

Come sail away
Come sail away
Come sail away with me
(everybody now)

Come sail away
Come sail away
Come sail away with me
(you guys seriously)

Come sail away
Come sail away
Come sail away with me

(Chef:)Make it funky now!

(Cartman:)Hey, you're screwin' up my song
Hey, What's goin' on

(Chef:) Come sail away
Come sail away
Come sail away with me children

Come sail away
Come sail away
Come sail away with me children

(Cartman:)No, no, no, no, like this, like this!!!

Come sail away
Come sail away
Come sail away with me
(you guys can't here ya')

Come sail away
Come sail away
Come sail away with me
(you guys seriously)

Come sail away
Come sail away
Come sail away with me
(seriously you guys, screw you guys)

Come sail away
(you guys seriously)
Come sail away
Come sail away with me
(you guys seriously)

Come sail away
(you guys seriously)
Come sail away
Come sail away with me
(you guys seriously)
