

# Sparks, Cool Places

(Ron & Russell Mael)

I wanna go to cool places with you  
I wanna take you cool places tonite  
I wanna go where nobody's a fool  
And no one says uh, "hey girl, need a light?"  
I want to move like this and that  
A minimum of chit chat  
I never wanna cool down, cool down, cool, cool, cool  
Cool places tonite

I gotta tell you, you're lookin' real good  
They let us in so I'm feelin' all right  
I like to go where sometimes they refuse  
Yeah, I remember last Saturday nite  
But I'm feeling cooler now  
And they could tell we're cooler now  
It's obvious we're cooler now, cooler now, cool, cool, cool  
Cool places tonite

I wanna go, I wanna go, etc.

I want to go to cool places tonite  
I wanna go to cool places with you  
And after that we'll slip out for a bite  
A coffee shop, and toast, coffee and juice  
And then we'll sleep 'til 5 P.M.  
And start it up all over again  
I never want to cool down, cool down, cool, cool, cool

I wanna go, I wanna go, etc.
