

# Sparks, Tips For Teens

(Ron & Russel Mael)

I've got a snapshot of your Aunt Maureen  
She's 90 and you're a teen  
I'm trying to cheer you up  
Don't be so mean, don't be so mean

Crach, bam, now you're looking good  
Tip Top, now you're feeling good  
Once more, here's your Aunt Maureen  
Don't you feel good, don't you feel good

Chorus:

Tips For Teens, Tips For Teens, the kind  
you don't see in magazines  
Tips For Teens, Tips For Teens, the kind  
you don't see on T.V. screens  
Tips For Teens, Tips For Teens  
Wake up to music  
And say you're too sick to go to work

Soon, you will lose all your zits  
Tight sweaters no longer fit  
Jetsetters will make their pitch  
I told you so, I told you so

Chorus

Don't eat that ice cream  
It is vanilla  
Give it to me

Don't eat that pastry  
What's in the middle  
Give it to me

Don't eat that burger  
Has it got mayonnaise  
Give it to me

Keep that mystique up  
And wear a "D" cup  
No matter what

Don't eat no curry  
Before a very  
Important date

Do I look so knowing and old and wise  
Maby it's those Dacron ties  
How come you keep asking me  
For Tips For Teens, for Tips For Teens

Crach, bam, now you're looking good  
Tip Top, now you're feeling good  
Once more, here's your Aunt Maureen  
Don't you feel good, don't you feel good

Chorus
