

Special Needs, Winter Gardens

They put us down all around
They tried so hard
We're not broken yet, we're not letting go
We're just going away for a while

Yeah Yeah, they'll be sorry yeah
Yeah Yeah , they'll be sorry they met us
Yeah Yeah, they'll be sorry how.
OH WOW! they've blown it now

So just show show show show show show, show up at the station,
And as the rain falls over winter gardens
Show show show show show show, show up at the station,
And a the rain falls we'll watch the Gravesend flowers.

We got to make it / we've got to get there (woh-oh-oh oh)
Doo-wop shang-a-lang-a-langa
