

# Spin 360, Amazing

Jesus, holy, blameless Lamb of God  
Where would I be if not for Your blood?  
I'm still amazed that a God of power  
Could be so merciful

Lord, You're amazing, You're amazing  
You've won my heart, You've won my heart  
You're amazing, You're amazing  
You've won my heart, You've won my heart  
You're amazing

Jesus, holy, perfect sacrifice  
I will remember the death that gave me life  
I was condemned to the wages of sin  
But your mercy paid in full

I'll never know the pain of dying on a cross  
I'll never take the blame; I'll never know the cost
