

# Spinfire, I Do

I just woke up this morning  
for the first day without you  
and now I have to figure out  
what I'm gonna do

it's alright for everything to be sad  
it's ok for you and me to be bad  
you don't think that we can make it through  
but I-I do  
I do

I just woke up this morning  
it's been three weeks without you  
and now I have to figure out  
how to make it through

it's alright for everything to be bad  
it's ok for you and me to be sad  
you don't think that we can make it through  
but I-I do  
I do

(guitar solo)

it's alright for everything to be sad  
it's ok for you and me to be bad  
you don't think that we can make it through  
but I-I do

it's alright for everything to be sad  
it's ok for you and me to be bad  
you don't think that we can make it through  
but I-I do  
I do  
I do

Cos I - I do
