if you want a radio  
I would be a radio for you  
if you want an airplane  
I would be an airplane for you  
If you got a lonely heart  
I would a lonely heart for you  
if you want a rocket ship  
I would a rocket ship for you  
If you walk on galaxies  
I would walk on galaxies with you  
If you be my lonely girl  
I would be a lonely boy for you  
If you want shooting star  
I would be a shooting star  
If you want another world  
I would be another world for you  
If you want an universe  
I would be an universe for you
