

# Spitvalves, No Fiction

ilay off the hassle  
i'll woop your ass in scrabble  
your tryin to flow the rhyme  
but all you can do is babble  
about what you want to do  
let's talk about what you've done  
it seems you've drawn a blank um

no fiction  
no fiction for you  
no fiction  
we keep it true

ya see ya see  
now hear the cb  
the rhyme is true  
to lie there is no need  
honor graduee  
chilled in d.c.  
only true ecstasy  
for me  
now can u. c.  
f. is where i use to take my tests  
pops gave me the boot  
s.s.d.d. more stress  
not settlin for less  
i know i'm not the best  
but i'll stand my ground  
when i'm put to the test

more and more  
comin from the source  
knowledge is the key  
gauranteed to finish my report  
need i say more  
your whole selection is a bore  
keep your mind open  
and share what's in store  
the game is over  
now let's tally up the score
