

Split Enz, I Dont Wanna Dance

I don't wanna dance - no more
Not since you walked out - the door
Left without a se-cond glance
That's the end of my - romance
No more fancy footwork in the nightclub
I'm a still point in a turning wor-orld

I don't wanna dance - tonight
I can hardly stand - the sight
Of lovers movin' on - the floor
There's a memory I can't - ignore
Of listenin' to the D.J. play the record
Take your partner, move arou-ound
And I'm, dancin' in my baby's arms agai-ai-ai-ain

I don't wanna dance (Not without my baby)
I don't wanna da-ance (Not without my baby)
I don't wanna dance...

Every night it's al-ways there
The memory of our sad - affair
I'm underneath the col-oured lights
You're asking me if I'm - alright
I can only answer, I'm a dancer
Whose sense of rhythm is paraly-yzed
Til I'm, dancin' in my baby's ar-arms agai-ai-ai-ain

I don't wanna dance (Not without my baby)
I don't wanna da-ance (Not without my sweetheart)
I don't wanna dance...
Not toni-ight, not toni-i-ight

(Not without my baby, not without my baby)
I don't wanna dance...
(Not without my baby) I don't wanna da-ance
(Not without my sweetheart) I don't wanna dance tonight
I don't wanna dance, I don't wanna da-a-ance (not without my sweetheart)
I don't wanna dance
Not toni-ight, not toni-i-ight, Oh-oh-no-o
