

Spoken Love, Everlasting Love

I've been wait for so long
This is the time
I come home
Just been around
Lost folk
Hurt, where I should been?

So This is the time
I can hold till the end

Everlasting Love
Everlasting Love
Everlasting Love
Everlasting Love

I've been wait for so long
All of the towns

..
Suffering
Not to touch you baby
Someone Get down
I'll show you baby

And I've been wait for so long
We'll bring our love home
Will be ... lonely

Everlasting Love
Everlasting Love
Everlasting Love
Everlasting Love
