

Spoons, Tell No Lies

I know, I know
You turn the world around me
Like a ball on fire
I know, I know
So try to be fair
Im new at this game of trust

Tell no lies
Tell no lies
Tell no lies
Tell no lies

I know, I know
You take me for a ride
And I wouldnt even know it
I know, I know
Im vulnerable
But what can I do
Im new at this game of trust

Tell no lies
Tell no lies
Tell no lies
Tell no lies
No, no, no
Tell no lies
Cause I believe every word

I know, I know
You turn my world around me
Like a ball on fire
I know, I know
Im vulnerable
But what can I do
Im new at this game of trust

Tell no lies
Tell no lies
Tell no lies
Tell no lies
No, no, no
Tell no lies
Tell no lies
No, no, no
Tell no lies
Cause Ive got a few of my own
