

Sprung Monkey, Mr. Funny Face

Hey, Mr. Funny Face I was just wondering
What are you thinking?
Hey, Mr. Funny Face I was just wondering
What are you feeling?
Walking down the street
And everyone is staring at you
Pointing their fingers as you walk on by
And if you'd stop to speak well they'll soon be laughing at you
Having their fun just trying to make you cry
Mr. Funny Face

Maybe I'm a shallow man cuz I was just thinking
Maybe I'm a shallow man cuz I was just thinking
If I was walking down the street
And everyone was staring at me
Pointing their fingers as I walked on by
And if I stopped to speak and everyone was laughing at me
I'd probably turn my head, run and hide

But no you don't run, and you don't hide
You just stand proud as you look them in the eye
No you don't run, and you don't cry
You just smile and say hello, and then you turn and wave goodbye
Mr. Funny Face

Dream the dream it's a good dream yes it seems
Everything you've done to me
Cuz I see the way you hold yourself
Amongst all the world's adversity
Because there's a tear that leaves me everytime
I see all the thing they've done to you
Cuz I know how you must feel inside
But I know my heart and I know I tried

No you don't run, no you don't hide
You just stand proud as you look them in the eye
No you don't, and you don't cry
You just smile and say hello, and then you turn and wave goodbye
