

# Sponge, One More Go

Can't be much longer  
Can't be much longer  
Won't somebody tell me,  
I'm not going under  
I'm not going under  
Won't somebody save me

There ain't nobody gonna tell me  
Nobody's gonna say they told me so  
If there's a weight up on my shoulder  
I just let go

You ever slipped up  
Been tripped up  
Now you're staring at the paper with your lip cut  
And you're thinking  
That it's useless  
Thinking maybe this life don't suit us

Nobody's gonna tell you different  
Nobody's got a special to show  
So if you wanna last the distance  
Have One More Go!

[Chorus]  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go

Don't you self harm  
Pick yourself up  
If you're thinking 'bout moaning just belt up  
Think your life needs  
Liposuction  
At the very least on attitude reduction

Maybe it's time to make a difference  
Maybe it's time to say I told you so  
If you are gonna last the distance  
Have One More Go!

[Chorus]  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go

Don't just say no  
Say I think so  
Don't just say no  
Come on let go!

[Chorus]  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go  
Wo-o-o-o-o-ah,  
Wo-o-o-o-o-ah,  
Wo-o-o-ah One More Go
