## Spunge, One More Go

Can't be much longer Can't be much longer Won't somebody tell me, I'm not going under I'm not going under Won't somebody save me

There ain't nobody gonna tell me Nobody's gonna say they told me so If there's a weight up on my shoulder I just let go

You ever slipped up Been tripped up Now you're staring at the paper with your lip cut And you're thinking That it's useless Thinking maybe this life don't suit us

Nobody's gonna tell you different Nobody's got a special to show So if you wanna last the distance Have One More Go!

[Chorus]
Wo-o-o-o-o-ah,
Wo-o-o-o-ah One More Go
Wo-o-o-o-o-ah,
Wo-o-o-o-o-ah,
Wo-o-o-o-ah

Don't you self harm
Pick yourself up
If you're thinking 'bout moaning just belt up
Think your life needs
Liposuction
At the very least on attitude reduction

Maybe it's time to make a difference Maybe it's time to say I told you so If you are gonna last the distance Have One More Go!

[Chorus]
Wo-o-o-o-o-ah,
Wo-o-o-ah One More Go
Wo-o-o-o-ah,
Wo-o-o-o-ah,
Wo-o-o-o-ah

Don't just say no Say I think so Don't just say no Come on let go!

[Chorus]
Wo-o-o-o-o-ah,
Wo-o-o-ah One More Go
Wo-o-o-o-ah,
Wo-o-o-o-ah,
Wo-o-o-o-ah
