Squeeze, Another Nail In My Heart

The case was pulled from under the bed She made a call to a sympathetic friend and made arrangements The door was closed, there was a note I couldn't be bothered, maybe I'll choke, no more engagements With where-have-you-beens and far away frowns Trying to be good by not being 'round

And here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart

That stupid old bug that kills only love I want to be good, is that not enough

So play me the song that makes it so tough Another nail for my heart Then play me the song that makes it so tough Another nail for my heart

I had excuses, those little boy lies
That she computed by watching my eyes and told me firmly
She couldn't stand it, I'm bad on her heart
She dropped her make-up and I found the bar, now it concerns me
I've had a bad time, now love is resigned
I've been such a fool, I've loved and goodbyed

So here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart And here in the bar, the piano man's found Another nail for my heart
