Squeeze, By Your Side

(Difford/Tilbrook)

When you're down and you're lonely Come to me I'll be your only Always remember I'll be by your side Call me up daytime or night I'll always listen every time If you need me Then please believe me, don't you cry

I'll show concern
And I'll keep my word
I won't stay away
Now and then when your heart's in pain
I'd like to say
Always remember
I'll be forever
By your side

Friends like this
Are hard to find
With time to talk
And to confide
If you need me
Please believe me
I'm by your side

The secrets kept as we lie in bed I can't keep away
Now and then when your heart's in pain I'd like to say
Always remember
I'll be forever
By your side
