

# Stabbing Westward, Perfect

Lately I've noticed  
How much you've changed  
Even though you swear  
You're the same  
So why do I feel  
A million miles away?  
Why do I feel  
Like we're broken?  
Why can't it be  
Perfect like it used to be?  
Why can't we be  
Perfect?  
Perfect is how I  
Once described our love  
But that was before  
We fell apart  
So why do I feel  
A million miles away?  
Why do I feel  
Like we're broken?  
It used to be perfect  
Lately I've noticed  
How much you've changed  
Even though you swear  
You're the same  
It used to be perfect
