

# Stacie Orrico, Without Love

If I speak in the tongues of angels  
But have not Love  
I'm only a resounding noise  
If I have the gift of knowledge  
And if my faith moves mountains high  
But have not Love I am nothing

## CHORUS:

Though I know the one who holds  
The stars in the heavens  
In the palm of His hand  
And if I give all I possess  
To the poor and the helpless  
I still gain nothing, Without Love

Love is patient  
True love is always kind  
Love does not envy  
Never brags it's never proud  
Slow to wrath it keeps no record  
of wrongs against friends  
Love forgives  
we all could use oh forgiveness

Repeat Chorus

Love never fails  
Love is true  
Love is the one thing that can always change you  
Love is patient  
Love is kind  
Love is the one reason the world survives  
Love never fails  
Love is true  
Love's the one thing that can always change you  
Love is patient  
Love is kind  
Love's the one reason the world survives

repeat chorus

Love is nothing without...  
Love is nothing without You
