Stanfour, Wild Life

1. Strophe:

Save me

Cause I've been thinking 'bout you all the time I feel there's a part of you that wants me wild Taste you, do you dare to let me come inside Love you, I'll love you everyday tonight

Refrain:

I can't wait for your invitation
Yeah, I'm just here on my own vacation
And you don't need no explanation
It's my wild life
I don't care if you slept with millions
Or if you sing like Paris Hilton
Yeah, I want you to show me, baby, the wild life
(Yeah, the wild life)

2. Strophe:

Hate me, just because I want you really bad Show me, I will be so good, I'll pay my share Try you, yeah tonight it will be you and I Baby, I will love you till the day I die

Refrain:

I can't wait for your invitation
Yeah, I'm just here on my own vacation
And you don't need no explanation
It's my wild life
I don't care if you slept with millions
Or if you sing like Paris Hilton
Yeah, I want you to show me, baby, the wild life
(Yeah, the wild life)

3. Strophe:

I just want you I just need you You can't stop now, oh Now, you can't stop now

Refrain:

I can't wait for your invitation
Yeah, I want you to rock my nation
Cause you don't need no education, baby
I don't care if you slept with millions
Or if you look like Paris Hilton
Yeah, I want you to show me, baby, the wild life
I don't care if you slept with zillions
Or if you sing like Paris Hilton
Yeah, I want you to show me, baby, the wild life
