

# Starchaser, Jambe Myth(love will set you free)

Look to the skies above you  
Whatever your heart is into  
Whoever you wanna be  
Love will set you free  
Together our dreams will fly  
I know I'll be flying so high  
Wherever you wanna be  
Love will set you free  
Look to the skies above you  
Whatever your heart is into  
Whoever you wanna be  
Love will set you free ... rip. x 3  
Love will set you free
