

Starfield, All For You

Nothing compares to
Life I have in You
Nothing of this world satisfies
So, I want to let go
I want to let You know
All that I have to give is Yours
Here I am
As gold to the fire
I will surrender to Your hand
To this place
Lord, I have come ready for Your touch
It's all for You
It's all for You
I'm letting go
I'm letting go
What is it in me
That hangs on for so long
Why do I fight the tears that come?
I work so hard to
Keep in control when
All that I want is to let go
I'll take this life
And lay it down
I'm letting go
I'm letting go
My hopes and dreams
Here at Your feet
I'm letting go
I'm letting go
And I am ready for Your life
And I am ready for You now
