

Starfucker, Florida

i never thought i was the only one

i never had a setting in the sun

a dancing baby was a sleeping gun

you had a hand and it was holding us

all i wanted was you

i never thought i was a special case

??? anyways

its just i love you like a holy sun

and if i had a home in hollywood

and all i wanted was you and all you wanted was me

"This world is a great wiggle-effect. The clouds are wiggling. The waters are wiggling. The clouds
