Starlight Mints, Inside Of Me

Well I don't need your sympathy But I could use your company Crawl into a mystery And I call you

So come inside of me, My skin and bones I just want the world to see What's inside of me

Yeah, whats inside of me

Yeah, yeah... Maybe tonight If I could sleep tonight We could fall on through And I could drive This evilness that breathes Inside of me

Well I don't need your sympathy But I could use your company Just to see if it could bring These things true

So come inside of me My skin and bones I just want the world to see What's inside of me

Yeah, what's inside of me

Yeah, yeah... Baby, tonight
If I could sleep tonight
We could walk on through
And I could drive this evilness that breathes
Well I can try but only you can free

Ohhhh, What's inside of me Yeah, what's inside of me Ooh, what's inside of me Oh, what's inside of me Oh, what's inside of me What's inside of me

Yeah, oh What's inside of me
