

# Starsailor, Change My Mind

Maybe you think shes not for me  
Maybe you think shes got a chequered history  
Maybe I should not have to try  
Send her some money  
And have an easy life  
Couldnt change my mind  
Though I try this time  
Couldnt change my mind  
If you tried  
Maybe weve lost our little way  
Maybe well get back the dreams of yesterday  
Tell me your weakness and Ill try  
To make a balance  
I know that Ive got mine  
Couldnt change my mind  
Like the hands of time  
Couldnt change my mind  
If you tried  
Lord youve tried  
And if I fall would you catch me  
Understand all I could be  
Open up let it breath  
Couldnt change my mind  
Like the hands of time  
Couldnt change my mind  
If you tried  
Lord youve tried
