

Starship, Stranger

Raindrops falling
Winter feels so gloomy
Hear the knock upon my door
Stranger calling
Eyes that look like mine
Said you know I've called before

What is veiled now soon will be shown
Come walk with me through the unknown

Familiar stranger
Should I know your name
Did we meet some time ago
I feel uncertain
Shadows whisper to me now
Sudden wind begins to blow

What is veiled now soon will be shown
Come walk with me through the unknown

Darkened doorways
Strangest things can happen
Don't know who you're talking to
Find yourself
When lightning strikes you now
You could be looking back at you

What is veiled now soon will be shown
Come walk with me through the unknown

What is veiled now soon will be shown
Come walk with me through the unknown

Stranger

Familiar stranger
Should I know your name
Did we meet some time ago
Are you someone I should know
Did we meet sometime ago
