

# State Of Shock, Money Honey

As I'm staring through this fire  
It's too late to make you mine  
So far from where we started  
So far from what we wanted  
And as both our worlds fall down  
We have lost and we have found  
So far from where we started  
So far from what we wanted

I've made mistakes, that I can't erase  
I've made mistakes

If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
I've made mistakes that I can't erase, I've made mistakes

Oh I should have seen the signs  
Now we're falling back in time  
So far from where we started  
So far from what we wanted  
And I'm trying to right this wrong  
So I need you to be strong  
So far from where we started  
So far from what we wanted

I've made mistakes, that I can't erase  
I've made mistakes

If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
I've made mistakes that I can't erase, I've made mistakes

Ya ya yo, ya ya yo  
I know you know  
So let it go  
ya ya yo, ya ya yo  
I know you,  
I've made mistakes  
that I can't erase  
I've made mistakes

If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
If I had more money honey  
Would you love me, love me, love me  
If I wasn't just somebody like me, like me  
I've made mistakes that I can't erase, I've made mistakes

Ya ya yo, ya ya yo  
I know you know  
Ya ya yo, ya ya yo  
I know you know
