Static X, Kill Your Idols

Cosmetic photogenic His pain is feeding me now Mechanical the passion Your head is bleeding, slow down Can't keep doing this What you want me to Marching sheep herd said See my broken head Live your own life I got myself Out of my sight Kill your idols It's ugly, you see I don't care what you think now Forgive, forget Don't take the easy way out Can't keep doing this What you want me to Marching sheep herd said See my broken head Live your own life I got myself Out of my sight Kill your idols
