

Status Quo, I (Who Have Nothing)

I, I who have nothing
I, I who have no-one
Adore you and want you so
I'm just a no-one with nothing to give you, but oh
I love you

He'll, he'll buy you diamonds
Bright sparkling diamonds
But believe me, hear what I say
That he can give you the world, but he'll never love you the way
I love you

He can take you any place you want
To fancy clubs and restaurants
But I can only watch you with
My nose pressed up against the window pane
Yeah, you know that you are loved

But I, I who have nothing
I, I who have no-one
Must watch you go dancing by
Wrapped in the arms of somebody else, when darling, 'tis I
Who loves you

I, I who have nothing
I, I who have no-one
Must watch you go dancing by
Wrapped in the arms of somebody else, when darling, 'tis I
Who loves you

(Spoken) I need you girl, I have nothing without you
I love you girl, I am just nothing without you
