

# Status Quo, Shine On

(Parfitt/Edwards)

The evening sun went down  
I tried to rise and shine  
I didn't feel so good  
I prayed for extra time  
And I could see a light  
Breaking through the night  
Shining down on me

I had to make a stand  
To find myself again  
'Cos I was on my knees  
And I was near the end  
And then I saw a light  
Breaking through the night  
Shining down on me  
Let it shine on me  
Let it shine on me  
Let it shine on me

Shine on, shine on, shine on, shine on

I opened up my eyes  
To see the morning sun  
And now the road is clear  
And I am free to run  
Yeah, I can see the light  
It's burning so bright  
Shining on down on me  
Shining on down on me

And it was the light  
That took me through the night  
Shining down on me  
Shining down on me

Let it shine on me  
Let it shine
