Steel Pole Bath Tub, Population 2

I know something (about you)

I know something (about you)

I know something (being alone)

I know something (being alone)

but knowing ain't saying

but knowing ain't saying

but knowing ain't saying

I ain't saying

I ain't saying

I ain't saying nothing

NOTHING

You've got those pain in your eyes

You know I know

Satifies, I'm getting

There ain't no God

You can't

I know something (about you)

I know something (about you)

I know something (being alone)

I know something (being alone)

but knowing ain't saying

but knowing ain't saying

but knowing ain't saying

I ain't saying

I ain't saying

I ain't saying nothing

NOTHING

No boys the murdering kind

I know you can not know you're nothing

Outside I doing

There ain't no God

Nothing

I know something (about you)

I know something (about you)
I know something (being alone)

I know something (being alone)

But knowing ain't saying

But knowing ain't saying

But knowing ain't saying

I ain't saying

I ain't saying

I ain't saying nothing

NOTHING
