

Steel Pulse, Better Days

David Hinds

Uptight everything is all right

Outta sight it's all right

There's light at the end of the tunnel

Pay at the end of the day

Thanks that me don't have to grumble

Goodness is coming our way

It's all right it's all right

It's all right it's all right

I do remember

I do recall

The magic moments when we stood so tall

A nation to be respected

A nation full of pride

So shake the bluesy feeling

That is hurting you inside

Hurting you inside

CHORUS

There's better days ahead for us

You need not fret nor worry

Oh yes this time around my friend

I'm sure you won't be sorry

They say how the future

Is guided by your past

Through trials and tribulation

Yes we were meant to last

So hold on to your hope and dreams

For all that it's worth

Cause I know the day will come

When the meek shall inherit the world

KEVIN B RAP

Yeah yeah yeah yeah yeah

If you uptight

Everything's all right

Outta sight

It's all right

They'll be better days don't you worry

A positive way you won't be sorry

It's all right it's all right
