

# Stellar Kart, Me And Jesus

When there's nowhere else to turn  
All your bridges have been burned  
Feels like you've hit rock bottom  
Don't give up it's not the end  
Open up your heart again  
When you feel like no one  
Understands where you are

[chorus]

Someone loves you even when you don't think so don't you know you got  
Me and Jesus by your side through the fight you will never be alone on your own you got me and j

After all that we've been through  
Be now you know i've doubted too  
But everytime my head was in my  
Hands you siad to me  
Hold on to what we got  
This is worth any cost so  
Make the most of life  
That's borrowed  
Love like there's no tomorrow
