Its gona be a real discrace
Cause there gona be handicap
But its you choice
I cant push you what to do
Just make a good choice
Cause i dont want to see you
Beside the streets in T.O
Saying hey yo
You have money
Cause i'll brake down and cry
And give you all i got
Cause i loved you since i was big like spot
Matt if you hit her
Just dont do it
Cause i'll have to hit you

Just dont do it
Cause if you hit her i'll have to go to court
I'll have to spend 25
A sentence for life

You f**king squat
Sara im sorry if im calling you names
Cause i dont give a f**k
Im not ashamed
I just like talking about sluts
You f**king lesbian
Im calling you a lesbian
Cause your going out with a pussy
That looks like a big sissy
But do you remember all those good times we had
And do you remember things werent so bad
We were kissing
And touching
Why you think thats bad
Well i dont
But you were looking so sad
Maby its cuase you were shy
In those times
But why arent u so shy today
Thats what im asking my self today
But i just want u too no something
You f**k'd my life u bitch
You boy thinks hes all rich
But he wont when im finish
Cause his dad will have to pay 10 thousand
Too bery him
