

Stephen Malkmus, Jo Jo's Jacket

""And in a funny way, the shaving of my, uh, head has been a liberation from, uh, a lot of, uh,

I'm not what you think I am
I'm the king of Siam
I've got a bald head
My name is Yul Brynner
And I am a famous movie star

Perhaps you saw me in ""Westworld""
I acted like a robotic cowboy
It was my best role
I can not deny I
Felt right home deep inside
That electronic carcass

You're such monumental slime
Let the punishment fit the crime
Tie it to a chair
The house music will blare
And turn your ears into
A medicinal jelly

Stay inside on Christmas Day
And make believe that you are my candy cane
You said, ""I'm not that type,
No I'm not sweet, and I'm not overripe","

Bob Dylan sang in
"""Its alright ma, I'm only bleeding"""
""Everything from toy guns that spark to flesh colored Christs that glow in the dark
It's easy to see without lookin' too far that not much is really sacred.","
