

Stereo 360, Superstar

(Hills/Galdames 2:42)

I wanna be your Superstar
I wanna be your Superstar
I wanna be your Superstar
I wanna be
I wanna be

Downtown and a ways from where you like to be
Downtown and a ways from where you might be
Downtown and a ways from where you like to be
Downtown and a ways from where you like to be

I will, I will, I will, I will, I will...

I wanna be your Super freak
I wanna be your Super freak
I wanna be your Super freak
I wanna be

I wanna be on TV
I wanna be on TV
I wanna set you on fire
I wanna set you on fire at the movies
Because it sounds bizarre

I wanna be your Superstar
I wanna be your Superstar
I wanna be your Superstar
I wanna be
I wanna be

Downtown and a ways from where you like to be
Downtown and a ways from where might be
Downtown and a ways from where you like to be
Downtown and a ways

I wanna be on TV
I wanna be on TV
I wanna set you on fire
I wanna set you on...
