

Stereo MC's, Boy

When I was a boy I didn't understand
Why encouragement was kind of hard to combine,
To make her dream come true
Sometimes you gotta fight,
I had to push myself to make a better life!
When the days were long, with nothing much to do,
Should I tell myself that nothing could improve?
No, I had to try, and give myself a hand,
I didn't love if know was in my hands!

When I was a boy
It's just a matter of time
When I was a boy
It's just a matter of time

And now that I'm a man, my tools are in the van,
I wanna see the game on Sundays,
And maybe check her friends!
Don't think about regrets, ...it's you
Falling in, falling out, dreams are falling through!
You see me going, get alone,
When I'm not?
I think about the days that were gone when I was young!

When I was a boy,
I think about the days that were gone when I was young!
When I was a boy,
It's just a matter of time
