## Steve Aoki & Alan Walker, Are You Lonely (feat.

i know that you're calling me to light up a leather shadow that follows you underneath i know that you're calling me

I don't want to play it safe because I don't contend like that just keep falling into me

I know i got your back

are you lonely are you lonely l'll stand by you l'll stand by you are you lonely are you lonely are you lonely l'll stand by you l'll stand by you l'll stand by you

never said it was easy never know what we'd do oh when these walls fall down I'll stand by you

watch u believe in I'll give it to you cause when these walls fall down I'll stand by you

are you lonely are you lonely are you lonely I'll stand by you I'll stand by you are you lonely are you lonely are you lonely I'll stand by you I'll stand by you I'll stand by you
