

# Steve Aoki, Darker Than Blood (feat. Linkin Park)

Don't you hold your breath  
Cause I'm not coming down  
The battlefields have left me only scars  
And floating in the dark  
I'm swimming in the sound  
Of voices that should never been apart

Darker than the blood  
Higher than the sun  
This is not the end  
You are not the only one

With venom on their tongues  
They paint it on the walls  
Where justice doesn't have the strength to hold  
The higher that they climb  
The harder they will fall  
And we will break their bones until they fall

Darker than the blood  
Higher than the sun  
This is not the end  
You are not the only one

Darker than the blood (Darker than the blood)  
Higher than the sun (Higher than the sun)  
This is not the end (This is not the end)  
You are not the only one (You are not the only one)

This is not the end  
(You are not the only one)  
You are not the only one  
(Higher than the sun)  
(This is not the end)  
This is not the end  
(You are not the only one)  
You are not the only one
