

# Steve Harley, INNOCENCE AND GUILT

dearest mama, everything will be all right now  
i will be safe  
it's only that the outside which i have not seen  
for so many long years  
during my divine exile  
makes me a little nervous , mama  
but i think the time has come for your  
unnamed warrior-child  
to make his presence obvious  
don't you agree, mama ?  
mama, are you listening to me, mama ?  
are you there, mama ?  
mama, come back, come back, come back, come back  
(mama: but i have things to do, dear)  
Mama, i am blinded  
i feel nothing save death  
it all seems to come up from behind me and hit me like  
an avalanche  
i feel nothing save evil  
repossess me, mama, repossess me, mama  
help me to escape from this lunatic inheritance  
repossess me, mama, REPOSSESS  
(mama: ha-ha-hee-hee-ha)
