Steve Miller Band, Sugar Babe

(Steve Miller)

Way down in Alabama There's a girl just a waitin' for me She don't have to worry She don't have to hurry Lord, I keep her so happy

She's my sugar baby Sugar, sugar baby Sugar baby Sugar, sugar baby

Lordy, Lordy pretty mama Yes you're tough enough Lordy, Lordy mama Go on and strut your stuff

My sugar baby Sugar, sugar baby Sugar baby Sugar baby

You know this love Is gonna keep on gettin' stronger You know my love Is gonna last you longer

Sugar baby Sugar, sugar baby Sugar baby Sugar, sugar baby

Sugar baby Sugar, sugar baby Sugar baby Sugar, sugar baby

You know this love Is gonna keep on gettin' stronger You know my love Is gonna last you longer

Sugar baby Sugar, sugar baby Sugar baby Sugar baby
