

Steve Winwood, Had To Cry Today

It's already written that today will be one to remember

The feeling's the same as being outside of the law

Had to cry today

Well, I saw your sign and I missed you there

I'm taking the chance to see the wind in your eyes while I listen

You say you can't reach me but you want every word to be free

Had to cry today

Well, I saw your sign and I missed you there

And I missed you there

Had to cry today ...
