

Stevie Hoang, Addicted

Since you went away
It's been
One year two months
But it just don't seem like yesterday
We were, we were still together
Time has passed and things have changed so
Why do I feel this way
Cause you're with somebody else
And I'm with somebody else but
Whenever I think about the love we had
(It hurts so bad)
Whenever I think about the love we made
I said that I'd be strong
Girl I really thought that I'd move on
But still I find myself asking
[Chorus:]
Do you still think of me
Like I think about you
Do you still dream of me
Cause I can't sleep without you
Tell me if time should make a change
Then why do I feel the same
Your love has got me addicted
Said I don't know
{When I'm with a chick and we make love I call your name}
Said I don't know
{Wanna be with somebody else I push them away}
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but
I'm so addicted to you
(You)
It's been long enough
Don't know
Why I'm still holding on
If I had a wish babe I would turn back the hands of time
Cause you don't know what you've got until it's gone (until it's gone)
That's the reason why I'm writing you this song
Girl I'm slippin'
And I don't know what to do
Girl I admit it
I'm sick over you
Damn
I realize my mistake
My pride got in the way
I shoulda begged you to stay
[Chorus:]
Do you still think of me
Like I think about you
Do you still dream of me
Cause I can't sleep without you
Tell me if time should make a change
Then why should I feel the same
Girl your love has got me addicted (Got me addicted)
Said I don't know
{When I'm with a chick and we make love I call your name}
Said I don't know
{Wanna be with somebody else I push them away}
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but
I'm so addicted to you
If you ever lost someone you truly love
Let me hear you say "yeah";

(Yeah)
Say "yeah"
(yeah) Let me hear you say
And if you ever lost someone you truly need
Let me hear you say "yeah"
(Yeah)
Say "yeah"
(Yeah)
[Chorus:]
Do you still think of me
Like I think about you
Do you still dream of me (yeah)
Cause I can't sleep without you
Tell me if time should make a change
Then why do I feel the same (Why do I feel)
Your love has got me addicted
Said I don't know
{When I'm with a chick and we make love I call your name}
Said I don't know
{Wanna be with somebody else I push them away}
Tell me if time should make a change
Then why do I feel the same
I know I gotta move on but
I'm so addicted to you
Like I think about you
Do you still dream of me
Cause I can't sleep without you
Tell me if time should make a change
Then why do I feel the same
Your love has got me addicted (it's got me addicted)
Said I don't know
When I'm with a chick and we make love I call your name
Said I don't know
Wanna be with somebody else I push them away (I just push them away)
Tell me if time should make a change (Make a change)
Then why do I feel the same (Feel the same)
I know I gotta move on but
I'm so addicted to you
