

Sting, Baby Please Don't Go

Baby please don't go
Please don't go
Please don't go down New Orleans, I love you so,
baby please don't go
My man is gone
My man is gone
My man done gone down the county line, got them sharp boots on,
baby please don't go
Won't you be my dog?
Come on and be my dog
Gonna walk the dog, gets me way down here, you made me walk alone,
please don't go

Turn the light down low
Turn the light down low (break my heart)
Turn the light down low

Turn the light down low (break my heart)
Turn the light down low all night long, please don't go,
baby please don't go

Please don't go
Please don't go
Please don't go
Please don't go
Please don't go down New Orleans, I love you so,
baby please don't go

Please don't go (please don't go)
Please don't go (please don't go)
Please don't go down New Orleans, I love you so,
baby please don't go
