

# Sting, I'll Be Missing You

Yeah, this right here goes out  
to everyone who's lost someone  
that they truly loved....  
Check it out....

Every breath you take  
And every move you make  
Every bond you break  
Every step you take  
I'll be watching you

Every single day  
And every word you say  
Every game you play  
Every night you stay  
I'll be watching you

It's kinda hard wit you not around  
Know you in Heaven smilin' down  
Watching us while we pray for you  
Everyday we pray for you  
Till the day we meet again  
In my heart is where I keep you friend  
Memories give me the strength I need to proceed  
Strength I need to believe  
My thoughts, Big, I just can't define  
Wish I could turn back the hands of time  
Us and the six shop for new clothes and kicks  
You and me takin' flics  
Makin' hits, stages they receive you on  
Still can't believe you're gone  
Give anything to hear half your breath  
I know you still livin' your life after death

Every step I take  
Every move I make  
Every single day  
Everytime I pray  
I'll be missing you  
(I'll be missing you)

Thinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing you

Oh can't you see  
You belong to me?  
How my poor heart aches  
With every step you take.

Somebody tell me why...

One black morning  
When this life is over  
I know, I'll see your face

Every step I take  
Every move I make  
Every single day  
Everytime I pray  
I'll be missing you...

We miss you
