Sting, I Shall Be Released

Music and words by bob dylan

They say ev'rything can be replaced Yet ev'ry distance is not near So I remember ev'ry face Of ev'ry man who put me here I see my light come shining From the west unto the east Any day now, any way now, I shall be released.

They say ev'ry man needs protection They say ev'ry man must fall Yet I swear I see my reflection

Some place so high above this wall I see my light come shining From the west unto the east. Any day now, any way now, I shall be released.

Standing next to me in this lonely crowd Is a man who swears he's not to blame All day long I hear him shout so loud Crying out that he was framed I see my light come shining From the west unto the east Any day now, any way now, I shall be released.
