Sting, Let Your Soul Be Your Pilot

Let your soul be your pilot Let your soul guide you He'll guide you well

When you're down and they're counting
When your secrets all found out
When your troubles take to mounting
When the map you have leads you to doubt
When there's no information
And the compass turns to nowhere that you know well

Let your soul be your pilot Let your soul guide you He'll guide you well

When the doctors failed to heal you When no medicine chest can make you well When no counsel leads to comfort When there are no more lies they can tell No more useless information And the compass spins The compass spins between heaven and hell

Let your soul be your pilot Let your soul guide you He'll guide you well

And your eyes turn towards the window pane To the lights upon the hill The distance seems so strange to you now And the dark room seems so still

Let your pain be my sorrow
Let your tears be my tears too
Let your courage be my model
That the north you find will be true
When there's no information
And the compass turns to nowhere that you know well

Let your soul be your pilot Let your soul guide you Let your soul guide you Let your soul guide you upon your way...
