

Sting, Love Is The Seventh Wave

In the empire of the senses
You're the queen of all you survey
All the cities all the nations
Everything that falls your way
There is a deeper wave than this
That you don't understand
There is a deeper wave than this
Tugging at your hand

Every ripple on the ocean
Every leaf on every tree
Every sand dune in the desert
Every power we never see
There is a deeper wave than this
Swelling in the world
There is a deeper wave than this
Listen to me girl

Feel it rising in the cities
Feel it sweeping over land
Over borders, over frontiers
Nothing will its power withstand
There is no deeper wave than this
Rising in the world
There is no deeper wave than this
Listen to me girl

All the bloodshed, all the anger
All the weapons, all the greed
All the armies, all the missiles
All the symbols of our fear
There is a deeper wave than this
Rising in the world
There is a deeper wave than this
Listen to me girl

At the still point of destruction
At the centre of the fury
All the angels, all the devils
All around us can't you see
There is a deeper wave than this
Rising in the land
There is a deeper wave than this
Nothing will withstand

I say love is the seventh wave
