## Sting, Murder By Numbers

The very thought of you makes My heart sing Like an April breeze On the wings of spring And you appear in all your splendour My one and only love The shadows fall And spread their mystic charms In the hush of night While you're in my arms I feel your lips so warm and tender My one and only love The touch of your hand is like heaven A heaven that I've never known The blush on your cheek Whenever I speak Tells me that you are my own You fill my eager heart with Such desire Every kiss you give Sets my soul on fire I give myself in sweet surrender My one and only love The blush on your cheek Whenever I speak Tells me that you are my own You fill my eager heart with Such desire Every kiss you give Sets my soul on fire I give myself in sweet surrender My one and only love My one and only love
