

# Sting, Ne Me Quitte Pas (English)

Don't leave me  
Though everything is over  
And needs to be forgotten  
Forget the times and misunderstandings  
All we know was lost  
Forget the hours  
That killed such joyous hearts

Don't leave me  
Don't leave me  
Don't leave me  
Don't leave me

I offer you pearls of rain  
From lands where the rain never falls  
I will travel the world until my death  
To cover your body with gold and brilliance  
I will give you a kingdom  
Where love will be king  
Where love will be the law  
And where you will be queen

Don't leave me  
Don't leave me  
Don't leave me  
Don't leave me
