

Sting, Need Your Love So Bad

There's a saying old says that love is blind
Still were often told "seek and you shall find"
So I'm going to seek a certain girl I've had in mind
Looking everywhere haven't found her yet
She's the big affair I cannot forget
Only girl I ever think of with regret
I'd like to add her initial to my monogram
Tell me where is the shepherdess for this lost lamb?
There's a somebody I'm longing to see
I hope that she turns out to be
Someone who'll watch over me
I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me
Although I may not be the man some girls think of as handsome
To her heart I carry the key
Won't you tell her please to put on some speed, follow my lead
Oh, how I need someone who'll watch over me
There's a somebody I'm longing to see
I hope that she turns out to be
Someone to watch over me
I'm a little lamb who's lost in the wood
I know I could always be good
To one who'll watch over me
Although I may not be the man some girls think of as handsome
To her heart I carry the key
Won't you tell her please to put on some speed, follow my lead
Oh, how I need someone to watch over me
